From

Government of India, Ministry of States.

To

The Chief Secretary to the Government of Mysore,
Bangalore.

Dated New Delhi, the 24th August 1948.

Expenditure incurred on refugees by the States which is debitable to the Government of India.

Sir,

I am directed to state that the fortnightly statements of expenditure in respect of the year 1947-48 received by the Ministry of Relief and Rehabilitation from the various authorities did not prima facie represent the correct position of expenditure incurred by each agency as the figures communicated to that Ministry by end of May 1948 amount only to about Rs. 5 crores against the Revised Estimates of Expenditure of over 14 crores, during the year 1947-48. I am to add that the statements of expenditure were also not being received regularly on the prescribed dates.

2. The time has now come when a more accurate and detailed account of the expenditure should be kept for the current year. In order to do this it is necessary that fortnightly statements of expenditure incurred by the various authorities which is ultimately debitable to the Ministry of Relief & Rehabilitation should be rendered regularly and punctually so as to reach that Ministry by the 10th and 25th of each month. The expenditure incurred from 1st to 15th should be reported by the 25th and that from the 16th till end of the month should reach them by the 10th of the following month. In case no expenditure is incurred a nil statement should be sent.

3. A list of sub-heads detailed heads etc. under which the expenditure should be classified is enclosed. I am to request that a consolidated statement in the prescribed form may kindly be sent direct to the Ministry of Relief and Rehabilitation (Budget Branch) under advice to this Ministry so as to reach them on the due dates without fail.

Yours faithfully,
